

Creators of Food Solutions

## GLUTEN FREE

Over the last few years, the market in gluten-free products has exploded. In food service outlets and supermarket shelves there is a marked increase in gluten free claims being made as consumers look to increasingly **avoid allergens**.

At AllinAll we have an **extensive range of gluten free and reduced allergen** solutions to meet growing consumer demands without compromising on taste and performance.

### WHY USE OUR GLUTEN FREE SOLUTIONS?

- Versatile processing capabilities
- No artificial colours & flavourings
- Vegan/vegetarian friendly
- Quick to prepare

### SOME OF OUR RANGE:
